3 April 1973

MEMORANDUM FOR: Deputy Director of Economic Research

SUBJECT : Release of Papers for Congressional
Delegation

1. Herbert Wilgis, Hungarian policy officer at the Department of State, has requested the release of several of our papers dealing with East-West trade. These papers would be made available to members of a Senate Commerce Committee delegation and their staff aides. The papers would be read on airplanes and then secured in embassy safes.

2. The delegation is visiting various East and West European capitals during April-May 1973 (itinerary below). The primary purpose of their trip is to inform themselves more fully on East-West trade issues, although in Brussels they will look into US-EEC trade problems. The delegation will meet with high ranking party and government officials -- probably Kosygin in Moscow and Party First Secretaries in Eastern Europe, according to Wilgis.

3. The following papers were requested and are all confidential or lower in classification. [REDACTED]

Doing Business With Poland, ER-IM 72-109,
